30

"The Key of Knowledge . ." (Luke 11:52)

DANIEL'S

Blueprint of World History

Public Address - All Welcome

We live in a world of predictions, but can there ever be such a thing as an accurate prediction? And if there was such a thing, what would be the bench mark to determine if the prediction were accurate? Well the Bible makes a claim to this very fact, that predictions are not only possible, but are part of the very fibre of Bible Prophecy. **PAST - PRESENT - FUTURE**
